A Message

from Jerry Burhans
Worldwide Sales & Marketing

“A Company doesn’t last for 130 years by standing still. It endures by reinventing itself, always striving to satisfy its customers, and by winning in the marketplace.”

Jerry Burhans
Worldwide Sales & Marketing

That’s the story of CCL Security Products®. We started as a Cabinet Lock company, and 35 years later invented the first resettable brass padlock... *and we’ve never stopped innovating.*

Over the last few years, we have expanded our offering with new Laminated Padlocks, Door Rekeyable Padlocks, LFIC Padlocks, IC Padlocks, KIK Padlocks, Storage Locks, Mailbox Locks, IC Cabinet Locks and TSA Accepted Locks. We have continued to grow our channel development in Retail Hardware, Luggage, Industrial, Security Distribution and Contract Hardware.

We won’t stand still, and we will always challenge ourselves to continue to create new and smart locks for you, the customer.

Since 1882, CCL has been a manufacturer and supplier of Padlocks, Cabinet Door Locks, Desk Drawer Locks, Cam Locks, Electrical Panel Board Locks, Enclosure Locks and other specialty lock products. CCL is also

known as the originator of the Sesamee Brand 4-wheel combination lock. In 1987 CCL was purchased by The Eastern Company. The Eastern Company was founded in 1858 and is a manufacturer of industrial hardware, security products and metal castings. It operates from locations in the U.S., Canada, Mexico, Taiwan and China. The diversity of the Company’s products enables it to respond to the changing requirements of a broad array of markets.

- ☐ Commercial grade padlock features superior protection from drilling and prying
- ☐ Laminated steel body for superior strength
- ☐ Hardened Molybdenum alloy shackle for superior cut resistance
- ☐ Dual locking ball bearing provides extra pry resistance
- ☐ Non-rekeyable, 4-pin cylinder helps prevent picking
- ☐ Product of Taiwan; designed in Wheeling, Illinois
- ☐ 4-pin brass cylinder in M1 Keyway
- ☐ 420 series is equal to 1, 3, 5 and 7 series
- ☐ Key Blank No.: 430-KB-4PIN-M2 (430 series)
- ☐ Key Blank No.: 430-KB-4PIN-M1 (420/430 series)

Best Used For:

- ☐ Industrial, Storefront & Business Gates
- ☐ Tool Crib
- ☐ Construction Sites & Equipment
- ☐ Job Boxes & Gang Boxes

Made to Order:

- ☐ If ordering a Made to Order Key Code please allow for 6 week delivery time
- ☐ Made to Order Laminated are ordered with Model Stock# - Code i.e. (43320-A386)

420 Series Rekeyable Padlocks **>>> NEW** Product Series

- Commercial grade padlock features superior protection from drilling and prying
 - Laminated steel body for superior strength
 - Hardened Molybdenum alloy shackle for superior cut resistance
 - Dual locking ball bearing providing extra pry resistance
 - Rekeyable, 4-pin cylinder helps prevent picking
 - Drilled 5 pinned 4
 - Popular M-1 Keyway
 - Product of Taiwan; designed in Wheeling, Illinois
 - Key Blank No.: 430-KB-4PIN-M1 (420/430 Series)
 - Key Blank No.: 420-KB-5PIN-M16 (420 Series)
- Best Used For:**
- Industrial, Storefront & Business Gates
 - Tool Cribs
 - Construction Sites & Equipment
 - Job Boxes & Gang Boxes

NEW Product Series

900 Series Aluminum Safety Lockout Padlocks

Model/Series:
90 = Aluminum Safety Lockout

Keying:

1 = KA 62573
2 = KD
3 = SFIC
4 = KA 37784
5 = KA 63827

Color:
1 = Silver
2 = Red
3 = Black
4 = Blue
5 = Green
6 = Yellow
7 = Orange
8 = Brown
9 = Purple

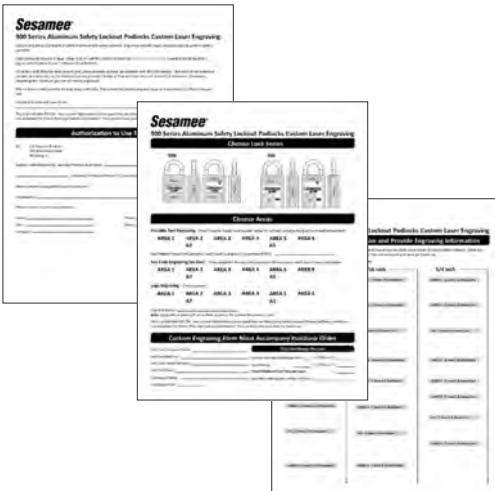

Shackle Clearance:
1 = 1 inch [25 mm]
2 = 1-1/2 [38]
3 = 3 [76]
4 = 4 [102]

- ☐ Steel Lock Out Hasp
- ☐ Round design of hasp prevents engagement
- ☐ Lockout by multiple workers at each lockout point
- ☐ Keeps equipment inoperative while repairs or adjustments are made
- ☐ Control cannot be turned on until last worker's padlock is removed from hasp
- ☐ Attach device to energy disconnect switch
- ☐ Hold up to 6 locks of 3/8" Shackle Diameter

Select who can access your property:

- ☐ Children after school
- ☐ Pool maintenance, cleaning and repair service
- ☐ Elder care
- ☐ House & pet sitter

Best Used for:

- ☐ Primary home, timeshare and vacation properties
- ☐ Storage shed
- ☐ Recreation Vehicles: Bicycle, ATV, boat, motorbike

Sesamee® 96006 smart design is compact while providing a best in class large storage compartment with the ability to hold up to 20 keys or 8 key cards.

The 96006 has a 10-push button resettable mechanism that allows the user to change the PIN code within seconds and includes wall mounting hardware.

- ☐ Large solid metal housing offers more capacity than conventional key safes
- ☐ Large hinged front door for maximum convenience
- ☐ 10 push-button resettable combination
- ☐ Includes wall mounting hardware
- ☐ Holds up to 8 cards or 20 keys

Sesamee® 96007 smart design is compact while providing a best in class large storage compartment with the ability to hold up to 20 keys or 8 key cards. The 96007 has a 10-push button resettable mechanism that allows the user to change the PIN code within seconds and comes with a detachable shackle for locking to door knobs, handrails, etc. The 96007 also has a rubber coated back to protect delicate surfaces from unwanted abrasions.

- ☐ Large solid metal housing offers more capacity than conventional key safes
- ☐ Comes with a rubber coated detachable shackle for locking to door knobs, rails, etc.
- ☐ Large hinged front door for maximum convenience
- ☐ 10 push-button resettable combination
- ☐ Shackle for locking to door knobs, rails, etc.
- ☐ Holds up to 8 cards or 20 keys

Sesamee® 96008 | 96009

- ☐ Holds over 50 door or car keys
- ☐ Portable, over the door knob mount for convenience
- ☐ Set your own 4-digit combination for keyless convenience
- ☐ 3-1/4" (83mm) wide durable metal construction
- ☐ Shutter door protects combination dials from weather, dirt and grime
- ☐ Molded body and vinyl coated shackle prevent scratching
- ☐ Product of Taiwan; designed in Wheeling, Illinois

- 5/8" or 7/8" diecast camlock, keyed alike or different
- Used for any outdoor application requiring resistance to water intrusion, dust, salt, and extreme temperatures.
- Stainless steel dust shutter and internal O-ring prevents water penetration through the lock. Includes rubber gasket to provide water-tight seal under head of lock allowing no moisture to enter enclosure.
- Long lasting chrome over double nickel finish with stainless steel capped lock head and face for superior weather resistance.

- 5 Disc Tumbler single bitted mechanism.
- Automotive style dust shutter
- Automotive style reversible key with optional plastic over molding
- 200 Key Changes
- 90°/180°, clockwise/counter-clockwise cam rotation options.
- Supplied with selection of three cams, two stop plates, mounting nut, trim washer, rubber gasket and cam screw. Includes two ringed keys.

KA codes:

C610-Keys C610 key/blank must be ordered with specific key code i.e., (C610-224). Key codes available: ☐ National (415A), CH751, Fort (217,221,224,237,238), Illinois Lock (8025), LSDA(300)

\$.70
Sold in Qty 50pc

* Dimensions are approximate +/- .039" [1mm]

- **Features the following Key Numbers:** National (415A), CH751, Fort (217,221,224,237,238), Illinois Lock (8025), LSDA(300)
- **Economical die cast cam locks for every day use**
- **Various cams, rotations, key pulls and finishes**
- **Available keyed alike or keyed different in multiple lengths**
- **Material:** Zinc die cast cylinders
- **Mechanism:** 5 Disc tumbler single bitted mechanism which offers 200 combinations and master keying.
- **Finish:** Bright chrome is standard, other finishes available upon request.
- **Can be used in metal or wood application, easy to mount** ☐ with supplied barrel nut.
- **Used on drawers, cabinet doors, storage boxes, gun racks,** ☐ chests, cashboxes, etc.
- **Key Pull 90° rotation may be configured for one or two key pulls.**
- **Supplied with selection of two cams, two stop plates, cam screw,** ☐ trim washer, cam lock washer, spur washer, and spline fillers to convert lock to a one key pull style.

Note: UC means "uncombined", without pinning and without key.

* The keyway is available for A, B, C, D, E, F, G, H, J, K, L, M, Q, 1C, 1D, KMT300, N, DD keyways.

* Must specify Key Way to left when ordering →

- Brass cylinder
- High quality plating with US26D or US4
- Each combined cylinder comes with 3 keys:
 - 2 keys for opening the lock
 - 1 control key for taking off the core
- **Money Saving:** With this IC Core System, only the core needs replacing instead of a whole new lock.
- **Easy to Manage:** Interchangeable cores provide versatility, allowing each key holder to use their own core.

MINIMUM ORDER

A convenience fee of \$15.00 will be added to all orders under \$50.00 net cost.

RETURNS AND CANCELLATIONS:

No CCL product or part can be returned for credit unless written authorization has been given in advance.

Merchandise returned must be identified as to original date of purchase, purchase order number, and shipper's name and address.

Service and handling charge is 25% for stock and 40% for non-stock items, of net billing price, except in the case of defective parts.

Any freight paid by CCL will be deducted from the amount of credit issued, except in the case of defective parts.

Merchandise returned in unsaleable condition will not be acceptable.

The return of obsolete, discontinued, modified or special parts is not permissible.

CCL reserves the right to charge for all work completed or materials purchased when an order is cancelled or reduced prior to shipment, where special or modified parts are involved.

CCL reserves the right to assess an additional cancellation charge, other than the normal 25% handling charge, in the event the quantity cancelled is in excess of our normal stock requirements.

Customer Service Hours:

Weekdays 8:00 a.m. to 4:30 p.m. Central Standard Time (C.S.T.). Orders may be faxed or emailed 24 hours a day. All orders received weekdays by 2:00 p.m. C.S.T. will be entered the same day.

EDI

CCL Security Products is able to accept purchase orders, transmit invoices and Advance Ship Notices (ASN), and receive forecast and Point of Sale (POS) data via EDI.

CLAIMS:

CCL will not be responsible for goods lost in transit. Purchaser is solely responsible for filing claims with the carrier for losses. Claims for shortages in shipment not chargeable to the carrier, must be reported within ten (10) days from receipt of merchandise.

LIMITED WARRANTY AND EXCLUSIONS

CCL strives to produce quality products at reasonable prices. If you are not satisfied with our product because of a defect, we will repair or replace the defective part or parts free of charge for a period of one year from the date of purchase. In the event you claim that the product contains a defect, simply notify CCL of the defect, and we will arrange for repair or replacement. The sole and exclusive remedy against CCL relating in any way to a product defect shall be the repair or replacement of defective parts as provided for under this LIMITED WARRANTY. No other remedy, including, but not limited to, incidental or consequential loss, is available.

This LIMITED WARRANTY shall not be deemed to have failed of its essential purpose so long as CCL is willing and able to repair or replace defective parts in the manner prescribed in this LIMITED WARRANTY.

Any action for breach relating to the sale of an CCL product must be commenced within one year after the cause of action has accrued. This LIMITED WARRANTY IS IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, AND ALL SUCH WARRANTIES ARE EXCLUDED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

LOST COMBINATIONS ARE NOT COVERED BY WARRANTY.
